### **Working Environment**

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. If feasible, reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee frequently works in outside weather conditions. The employee is occasionally exposed to hot, humid or wet weather conditions. The employee may also be exposed to toxic or caustic chemicals.

### **Physical Requirements**

The physical demands described here are representative of those that must be met by employee to successfully perform the essential functions of this job. If feasible, reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to sit, talk, hear and remain sedentary. The employee is constantly required to use hands and fingers to feel, handle or operate objects, tools, or controls; and reach with hands and arms. The employee is occasionally required to climb, balance, stoop, kneel, crouch, crawl and walk.

The employee must occasionally lift up to 50 lbs. and be able to push, pull and/or move up to 75 lbs. Specific vision abilities required by this job include close vision, distance vision, peripheral vision, and the ability to adjust focus.

### **Job description Function and Intent:**

Job descriptions assist companies in ensuring that the hiring process is fairly administered and that qualified employees are selected. The job functions and duties on the job description are not all-inclusive and that additional functions and requirements may be assigned as necessary. Job descriptions are not intended as and do not create employment contracts. The company maintains its at-will employer status.
